Joe Benigno Tree Service has been providing quality tree care and maintenance service throughout California and Nevada since 1985. Over the years our scope of work and our work area have grown, as well as our knowledge as tree care professionals. We continue to expand our portfolio and qualifications. One thing that hasn't changed is our dedication to quality tree care.

Our staff consists of highly trained, skilled and certified tree care professionals. We adhere to OSHA and ANSI 300 safety regulations and we are line clearance certified. We have an impeccable safety record and our equipment is modern and reliable which allows us to work safely and efficiently, saving time and money.
